Hello students,

I trust you are all practising it up at home during your “self isolation”. As you are likely aware of, on March 11 the World Health Organization assessed COVID-19 as a pandemic. We all have had to make some changes, and I wanted to let you know the changes that I have made for my piano studio this year.

For my current students doing private lessons, I have come up with some options. I am removing all of the credits during this pandemic so people will stay at home if they feel ill. This means that if the lesson is cancelled YOU DON'T HAVE TO PAY! Please let me know as soon as possible if ANYONE in your household is sick and we will postpone the lesson until they are feeling better. I will also let you know if anyone in my household is ill and we will also cancel the lesson for that week.

Online lessons are also available at my studio in order to keep everyone safe and isolated. The requirements for online piano lessons are:

- ♪ Webcam
- ♪ Piano
- ♪ Audio
- ♪ Laptop
- ♪ Speakers (can be on your laptop)
- ♪ ZOOM available (see links below)

If that is too much equipment, I am also offering online theory lessons. The requirements for theory lessons are:

- ♪ Theory book
- ♪ Laptop
- ♪ Email
- ♪ Skype or Discord available (see links below)

Keep safe,
